

Let the wind take your words

A Wind Phone is connected to nowhere and everywhere at once. It's where grieving people can connect with their loved ones who died, letting their words be carried through the wind. Wind Phones are a powerful source of comfort, hope, and support.

There are several across the US and the world. Learn more about Wind Phones, see the many beautiful installations, and locate one near you at www.mywindphone.com

Please like, follow and share @mywindphone
